and General Manager
CH2M HILL Hanford Group, Inc.
Richland, Washington 99352

RECEIVED
JAN 23 2002

Dear Ms. DeLozier:

EDMC

CONTRACT NO. DE-AC27-99RL14047 – U.S. DEPARTMENT OF ENERGY, OFFICE OF RIVER PROTECTION (ORP) DIRECTION TO UNDERTAKE MANAGEMENT RESPONSIBILITY OF WASTE SITES

ORP is directing CH2M HILL Hanford Group, Inc. (CHG) to manage the 12 waste sites listed in the attached table, which were previously unassigned. These sites shall be managed in accordance with current contract requirements.

- CHG shall maintain access control, surveillance and maintenance reporting, record keeping, and ensure disposition-planning requirements are met for each of the new waste sites added to their control.
- CHG shall assess site conditions and identify financial/schedule/technical impacts to their program that require an adjustment to the program baseline for new or increased scope. A Baseline Change Request shall be submitted for obtaining ORP approval, if required, by April 30, 2001.

If you have any questions, please contact me, or your staff may contact Harold Stafford, Operations Program Division, (509) 376-6597.

Sincerely,

Jewel J. Short II
Contracting Officer
